Quote by Senator Stevens

"I am pleased that Senator Pryor, Chairman Inouye and I have reached an agreement on a bipartisan bill to better protect American consumers," said Vice Chairman Stevens. "This is especially important because of the recent concerns surrounding toy safety. This measure will do more to ensure that toys and other products sold in this country are safe so that our children and all Alaskans are protected. I will continue to work with Senator Pryor and Chairman Inouye to pass this important bipartisan legislation as soon as possible."
